from Mar 10, 2026 to Jun 16, 2026 as a member of the start-up
Kalkulai.

ABOUT

The XPLORE Market Pioneer offers a hybrid six-week, part-time pre-incubation start-up program. Participants benefit from interactive sessions conducted by experienced founders and topic experts. In addition, start-up teams can book individual coaching sessions and get personalized advice and guidance on the next steps. They receive access to a unique network of start-ups and specialists within the UnternehmerTUM network.

The program focuses on market validation, product definition, and the development of a market entry plan, preparing teams for incubation and growth.

The XPLORE Market Pioneer Program exemplifies innovation, showcasing cutting-edge projects, dynamic teams, and guidance from experienced founders and experts. After over 30 hours of strategic input sessions, hands-on workshops, peer-to-peer learning, and invaluable feedback, our graduating start-up teams are prepared to take the next step in their start-up journey.
